Advanced students: add additional information, explanations, terms, or questions to their Mind Map after they add the terms from the slides. b. Grade Level: Students take turns adding information to the Mind Map or assign group roles – scribe (to write terms on the Mind Map), timekeeper (to keep students on task. Teacher can display a countdown clock to aide in this process), researcher (to look back through notes and old work for assistance in the lesson), Speaker (to share information with the class) c. Foundations: Assign to timekeeper or speaker role, depending on student strengths. d. Slides 6 through 13 present sets of terms for students to add to their Mind Map. e. Slide 14 provides an optional, additional step if there is time at the end of class for students to add any additional information that they can think of to their Mind Map. Advanced students have already been directed to do this step throughout the process.
<p>Exit Ticket</p>	<ol style="list-style-type: none"> 1. Students will complete a sentence summarizing the main idea of this unit. They will choose the best answer from multiple choice options for each blank to complete the sentence.
