

Unit 2: Age of Contact

7th Grade Lesson Plan: Study Guide

(45 – 60 minutes)

Objective	<p>Students will review significant terms, concepts, and information from the unit to prepare for the test. Students will identify the significance of key terms, events, and people, make claims about information within the unit and support their claims with evidence, and practice answering questions that are based on the 8th grade STAAR question types.</p> <ol style="list-style-type: none"> 1. <u>We will</u> identify and review significant information for our upcoming test. 2. <u>I will</u> use my previous work and notes to complete my study guide. I will match information, create short answer responses, and answer practice test questions.
Key Concepts	<ul style="list-style-type: none"> • The Age of Contact is characterized by Spain’s search for wealth, territory, and resources in the Americas. • Significant dates including Pineda mapping the Gulf of Mexico in 1519. • Significant people including Cortes, Cabeza de Vaca, Coronado, Onate, de Soto, Moscoso, and La Salle. • Territory conflict between France and Spain. • Spain’s attempts to solidify its claim to Texas when the French arrive.
Skills	<ul style="list-style-type: none"> • Identifying the significance of key terms, concepts, people, and events of the Age of Contact • Summarizing and paraphrasing significant content from the unit • Creating short, constructed responses
Essential Question	<p>What significant information do we need to know in order to be successful on the unit 2 test?</p>
Assignment	<p>Warm-up</p> <ul style="list-style-type: none"> • Students identify topics relevant to the unit that they might see on the test from a list of various social studies topics. <p>Lesson</p> <ul style="list-style-type: none"> • Part I: Key Terms and Definitions – Students match terms from a word bank to the appropriate definition or explanation.

	<ul style="list-style-type: none"> • Part II: Matching – students match key terms from the unit with their historical significance. Students answer a short, constructed response question identifying significant effects of the Age of Contact. • Part III: Practice Questions – Students answer practice test questions. These questions are based on the 8th grade STAAR item types including Hot Spot, Hot Text, and a print version of Drag and Drop. • There is also a printable set of matching flash cards that can be used to extend and enhance learning. The flashcards need to be cut out. Students match each term with its definition or explanation. <p>Exit Ticket</p> <ul style="list-style-type: none"> • Students will answer self-assessment questions about their understanding of the material and what steps they can take next to better prepare themselves for the test.
<p>Materials</p>	<p><u>Links to the following materials</u></p> <ol style="list-style-type: none"> 1. Slideshow 2. Warm-up / Exit Ticket (<i>Suggested printing: 1 per student. Assignment prints two copies per page.</i>) 3. Assignment (<i>Suggested printing 1 per student</i>) <ol style="list-style-type: none"> a. Advanced Level work b. Grade Level work c. Foundations Level work
<p>Differentiation</p>	<ol style="list-style-type: none"> 1. Scaffolding including classwork at three different levels of academic ability 2. Visuals representations of directions 3. Chunking text information 4. Sentence Stems 5. Reduction in answer choices
<p>TEKS</p>	<ul style="list-style-type: none"> • 7.1(A) Identify the major eras in Texas history, describe their defining characteristics, and explain the purpose of dividing the past into eras, including Age of Contact; Spanish Colonial. • 7.1(B) Explain the significance of the following dates: 1519, mapping of the Texas coast and the first mainland Spanish settlement. • 7.2(B) Identify important individuals, events, and issues related to European exploration of Texas such as Alonso Alvarez de Pineda, Alvar Nunez Cabeza de Vaca, the search for gold, and the conflicting territorial claims between France and Spain.

	<ul style="list-style-type: none">• 7.20(B): Analyze information by applying absolute and relative chronology through sequencing, categorizing relationships, comparing, contrasting, finding the main idea, summarizing, making generalizations and conclusions.
