

Warm-up: What's the Story?

Unit 2: The Age of Contact

Name: Date: Period:

The map to the left is labeled with the location of several modern-day states, countries, and one geographic landform.

Make a prediction:

The Spanish successfully acquire gold in **two** of the locations labeled on the map. In which **two** locations do you think they will find gold?

Explain your reasoning: Explain why you chose those two locations.

What's the Story? *Exit Ticket*

You created a timeline today of some of the most significant events in the Age of Contact.

The events listed below are out of order. Put them in the correct chronological order by writing the number of each event in the blank provided.

For example: Write a "1" next to the event you think came first, based on the readings, and so on.

- ___ A) Christopher Columbus landed in the Americas in 1492.
- ___ B) Spain gives up on exploring Texas after experiencing no success finding gold there.
- ___ C) Hernán Cortés and Francisco Pizarro acquired a lot of gold when they defeated the Aztec and Inca Empires.
- ___ D) Spain defeats the Moors of Africa after 800 years of occupation.
- ___ E) Spain decided to focus its exploration and colonization efforts on Mexico and South America where they became wealthy seizing gold and silver.
- ___ F) The Spanish king and queen hire Christopher Columbus to find a water route to the markets in Asia.
- ___ G) Spanish conquistadors explore north of Mexico but have no luck finding gold in places like Texas.
