PART III: COMPREHENSION QUESTIONS

Advanced work includes more short, constructed response answers. Answers to these questions will vary. Responses below are taken from the Foundations work and should serve as a guide.

1. (A) The vocabulary term that is best represented by the excerpt above is suffrage, because the excerpt is primarily referring to the benefits of voting rights.
2. (D) Texas Oil Boomtowns
3. Part I: (B) The items in the list exemplify a variety of reforms that people in the Progressive movement hoped to achieve to improve society.
   Part II: The primary source is discussing (B) desired Progressive reforms. Evidence from the excerpt that supports this claim includes references to use taxes to support education through the State school fund, passing regulations in the workplace to promote health and safety and prevent the spread of diseases like tuberculosis, and support for a minimum wage and maximum number of working hours during the week.
