

Answer Key: Vocabulary

Warm-up

- Responses will vary

Lesson

The advanced work requires a DEFINITION, EXAMPLE, ANTONYM, and IMAGE.

The grade level work does not include the ANTONYM category.

The foundations work does not include the EXAMPLE or the ANTONYM categories.

The ANTONYM and IMAGE required on the advanced work will vary. As such, those options are not included here. The EXAMPLE may vary in its wording.

The definition included here is the answer from the foundations work. Examples are taken from the readings on the slideshow.

1. Economic Depression:
 - a. Definition: (b) A period of serious economic decline that lasts a long time.
 - b. Example: The Great Depression of the 1930s was the worst economic depression in U.S. history, causing an increase in poverty, unemployment, and bank and business failures.
2. Stock Market:
 - a. Definition: (c) A financial system that allows people to buy shares in different companies to make profit.
 - b. Example: People can buy stocks in a video game company to make a profit when the company does well financially.
3. Relief:
 - a. Definition: (b) Assistance with necessities like food, clothing, healthcare, and jobs.
 - b. Example: During the Great Depression, the federal government under President Roosevelt established programs to support people in need.
4. Unemployment:
 - a. Definition: (a) The number of people who do not have a job at a specific time.
 - b. Example: During the Great Depression, the unemployment rate in the U.S. rose to 25%.

Answer Key: Vocabulary

5. Ecology:

- a. Definition: (a) How all living things interact with their environment.
- b. Example: During the Great Depression, the Dust Bowl was the worst ecological disaster which occurred because the native grasses on the Plains had been removed which caused massive amounts of dust to be blown into the sky when high winds came.
