

Warm-up: Growing Tension in Texas Extension

Unit 4: The Mexican National Era

Name:

Date:

Period:

Directions: Imagine you are living in Texas in the early 1800s as issues increase in your region and across the country. You want to write a short opinion article for your local newspaper. Based on the title of the opinion column, write a short article of three to five sentences explaining your point of view on all the things that have been going on in Texas and across Mexico.

Growing Tension in Texas Extension *Exit Ticket*

Step 1: Choose one point of view you will take to complete this exit ticket. Circle or highlight your choice.

A member of the Mexican government in Mexico City	A Tejano resident of Texas	An Anglo colonist living in Texas	A member of an American Indian tribe living in Texas
---	----------------------------	-----------------------------------	--

Step 2: Complete the sentence-stem from your chosen point of view. Remember: there is not one correct answer for each point of view. Many people from all groups had their own opinions on what was going on. Think about how you THINK you MIGHT respond from your chosen point of view.

I have been hearing about a lot of things going on lately. People talk about Centralists taking over the Mexican government. They talk about how some people here want Texas to be its own state. Some in Texas talk about their loss of rights. I think _____
