

# Warm-up: American Indian Tribes of Texas – Day 1

## Unit 1: Natural Texas and Its People

Name:

Date:

Period:

Read each statement below about typical characteristics of Texas tribes. Then, mark which region you think the tribe would live in based on your prior knowledge of each region.

The North Central Plains is **NCP**, the Great Plains is **GP**, the Coastal Plains is **CP**, and the Mountains and Basins is **M&B**

Statement	NCP	GP	CP	M&B
1. In which region would a tribe be most likely to use bison, or American buffalo, in every aspect of their daily lives?				
2. In which region would a tribe be most likely to fish and hunt alligator, lizards, and snakes?				
3. In which region would a tribe be most likely to have adapted to living with less water at higher elevations?				
4. In which region would a tribe be most likely to farm and hunt bison and deer?

## American Indian Tribes of Texas *Exit Ticket*

From the notes you took today, choose one tribe from one region and answer the following question:

**PROMPT: What were two characteristics of the tribe you have chosen, and how were those characteristics influenced by the region they lived in?**

Use the sentence stem to help you organize your answer:

The Jumano tribe of the Mountains and Basins typically lived in adobe houses made of clay bricks because they lived in an area with a lot of rock, and they were sedentary.
