

Warm-up: Looking Ahead

Unit 6: The Republic of Texas

Name:

Date:

Period:

Directions: Consider everything you know about Texas annexation so far. Circle or highlight any statement in the chart below that you think we will probably see in the next unit.

Draw a STAR next to ONE statement that you think is 100% certain to happen.

The borders and size of Texas will change soon after it is annexed to the United States.	The United States government will work to gain more of Mexico's land after annexation.	Mexico will view Texas annexation as an act of aggression from the U.S.
The size of Mexico will increase as it claims territories that once belongs to the United States.	The size of the United States will increase as it adds more territory to its borders.	There will be a war between the United States and Mexico over territory, specifically Texas.
