

Warm-up: The Somervell Expedition and the Mier Fight

Unit 6: The Republic of Texas

Name:

Date:

Period:

You are Sam Houston, president of the Republic of Texas. The year is 1842. Mexican armies have invaded Texas and occupied San Antonio **twice**. Texans are angry and worried. Something must be done! Consider how you would respond to these two invasions if you were President Houston.

As president of Texas, my response to Mexico's two invasions of my country would be to ...

I think this is a **good** plan because ...

One possible **negative** aspect of this plan is ...

The Somervell Expedition and the Mier Fight *Exit Ticket*

You are an American representative in the United States congress in 1843. You have been reading in the newspapers that Mexico has invaded and occupied the Republic of Texas **twice**. You have also read about Texas' response – how the men sent to fight Mexico were defeated and captured. Some were even executed. The rest were imprisoned.

Meanwhile, you know that Texas **still** very much wants to be annexed to the United States.

How do you think the events of the Somervell Expedition and Mier Fight would affect your opinion on Texas annexation to your country, the United States?

The events of the Somervell Expedition and Mier Fight would make me more likely to support Texas annexation // more likely to oppose Texas annexation because _____
