One thing we know about the Mission Presidio System in Texas is _____

One problem we know that occurred at some Texas missions was _____

One question I have about the Texas missions is _____

Essential Question

What are the key people, places, events, and information related to significant Spanish missions in Texas?

In today's lesson...

- We will** *examine significant information related to seven prominent Spanish missions established in Texas during the Spanish Colonial Era.*
- I will** *work with my group to research one mission. I will present my findings to the class and take notes on the significant information when other groups present.*

This Assignment has two parts:

Part One: Group Project & Presentation.

1. You will be assigned to a group. Your group will be assigned one Spanish mission in Texas. As a group you will read a passage about your mission and use the reading to create a slideshow presentation about your mission.
2. You will follow the directions on the slideshow to complete this presentation. You will then present your mission to the class.

Part Two: Individual Note Taking & Engagement

1. While other groups are presenting, you will take notes on key information about each mission. You will be respectful and attentive of each presentation and take accurate notes, asking questions when appropriate.

Student Group Presentation Slideshow Instructions for Part One:
