Share with the class:

There are a number of ways in which we can see evidence of Spanish influence from the Spanish Colonial Era in Texas today. One example of this is in the popularity of traditional Mexican and Indigenous foods like _____, which are a thin, flat food made from corn or flour.

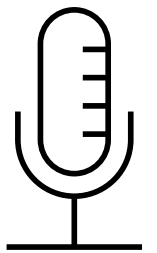

Share with the class:

Another example is evident in a type of music called _____, which blends Mexican, Spanish, German, and Czech styles of music.

Share with the class:

_____ are another example of Spanish and Mexican culture in Texas today. These events include common vaquero and conquistador practices of roping, riding horses, and branding cattle.

Share with the class:

A final example of Spanish Colonial influence in Texas today is that 30% of Texans today practice the _____ religion, which first came to Texas with the Spanish Mission Presidio System. In conclusion, evidence of Spanish influence from the Spanish Colonial Era exists in many aspects of life in Texas Today.
