## The Goliad Massacre *Exit Ticket*

1. Which two statements provide the most accurate explanation of the significance of the Goliad Massacre? Choose TWO answers.
  - a. The executions at Goliad highlighted the need for rules of engagement during wartime to and established punishments for people who failed to follow the acceptable rules.
  - b. News of the massacre terrified Texans who abandoned their homes and fled east away from Santa Anna's approaching army during the Runaway Scrape.
  - c. The Goliad Massacre, like the fall of the Alamo, gave many Texans a reason to fight harder for independence from Santa Anna's centralist government.
  - d. Public outcry over the executions caused Santa Anna to change his tactic of offering "no quarter" to the Texas rebels.
  - e. The executions weakened Sam Houston's army, making it impossible for the Texans to continue the Texas Revolution because of a lack of military troops.
